

# SMBS Covid Symptoms at Home Flow Chart

If you are contacted by NHS Test & Trace and your child was with you during the contact with the person who tested positive, you and your child must self isolate for 14 days, even if either of you receive a negative test.

If your child was **not** with you when you had contact, your child can attend school as long as you or your child do not develop symptoms.

Please keep the school informed.

Useful websites:  
 NHS/PHE - "Stay at home" guidance - <https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>

If child shows any Covid-19 symptoms they cannot return to school without receiving a negative test.
