Horror

Gothic

Year 7 / 8 English - Dracula Vocabulary Mat

Topic Specific Vocabulary		Key Facts	Home Learning
Stake	A wooden stick	Dracula is about a vampire who leaves his castle in Transylvania to travel to England. We learn about good vs evil, courage, and friendship through the main characters. Gothic stories use dark settings, mystery, suspense, and supernatural creatures to create fear.	Login to your school account and complete a reading or writing task. Make a poster about how to spot and catch a vampire. Include a picture of a vampire and label it with the features of a vampire. Revise SPaG using BBC Bitesize
Chapel	A small church		
Crucifix	A little statue of Jesus on the cross		
Fiancée	The person you are going to marry		
Horror	A story that makes you feel scared!		
Gothic	A type of story in which strange things happen in frightening places.

Protein

Year 8 Food Tech: Healthy Diets for Teenagers

Eatwell Guide

Vitamins and Minerals

Hydration

Food Tech: Year 8 - Term 1 - Topic Vocabulary Mat

Topic Specific Vocabulary		Key Learning	Home Learning
Carbohydrate	A nutrient that gives your body energy like bread, rice and pasta.	Teenagers need a balanced diet with the right nutrients to help them grow, stay healthy, and have energy. Carbohydrates, protein, dairy, vitamins, minerals, and water all have important jobs in the body. The Eatwell Guide helps people choose the right balance of foods. Healthy habits like drinking enough water, exercising, and getting enough sleep all support good nutrition.	 Design a Healthy Meal for a Teenager. Draw and label a balanced meal using the Eatwell Guide. Include: - At least 4 different food groups - A healthy drink - One sentence explaining why your meal is healthy for a teenager.
Dairy	Foods like milk, cheese, and yoghurt that help keep bones and teeth strong.		
Protein	A nutrient that helps your body grow and repair muscles found in meat, fish, eggs and beans.		
Eatwell Guide	A guide that shows the types and amounts of food needed for a healthy, balanced diet.		
Vitamins and Minerals	Nutrients that help your body stay healthy, grow, and fight illnesses.		
Hydration	Drinking enough water and other healthy drinks to keep your body working properly.

Volunteer

Employment

Year 8 PSHE: *Employment, Money and Me*

PSHE: Year 8 - Term 1 - Topic Vocabulary Mat

Topic Specific Vocabulary		Key Learning	Home Learning
Savings	means keeping some of your money safe to use later, instead of spending it all right away.	Students will develop an understanding of the working world by learning the difference between being an employer (the boss), an employee (the worker), and a volunteer (helping for free). Students will develop positive financial habits by learning how to set savings goals and make smart choices between the things they "need" and the things they "want."	Create a poster, PowerPoint, mindmap, report, animation or video about: 1. design a colourful poster or digital slide advertising a job for an employer. 2. record a short, 1-minute video clip (or write a script) explaining savings to a younger child. 3. create a folded leaflet for a make-believe charity that is looking for a volunteer.
Debt	Debt is an amount of money that you owe someone		
Employer	Is a person, a company, or an organisation that hires other people to do a job for them.		
Employee	Is a person who is hired to do a job for an employer.		
Volunteer	Is a person who chooses to do a job or help out for free, without being paid any money.		
Employment	is the official arrangement where a person does a job and gets paid for it.
