The screenshot shows the Google Classroom interface for a class named "Year 10 Maths". The URL in the browser is "classroom.google.com". The navigation bar at the top includes "Stream", "Classwork", "People", and "Grades". The "Classwork" tab is selected and highlighted with a black box. An arrow points from the "Classwork" tab to the main content area. The main content area features a red header with the text "Year 10 Maths" and "Class code b2bz5dp". Below the header, there is a section for "Upcoming" work, which shows "No work due soon" and a "View all" link. To the right, there is a "Share something with your class..." prompt. Below this, there are three assignment cards, each posted by "Rory Vokes-Dudgeon":
